

Our client is a world leader in the distribution sector. In order to reinforce their Human Resources department, they are looking for a:

### **HR Business Partner**

Your Responsibilities:

- Implement the group strategy across the different teams and departments by actively challenging the Business
- Be in charge of the talent management of your own assigned departments
- Act as the key contact for all the HR aspects for the higher management
- Coach and support the managers to handle their departments (e.g. performance management...)
- Be a Project Manager for specific assignments in line with the HR strategy (e.g. organization design)

Your profile:

- Higher degree in Human Resources, Psychology, Economics, Law, Business Administration or equivalent;
- Minimum 5 years of relevant experience in HR;
- Fluent in French, Dutch and English.

In return, our client is offering a great opportunity to join a professional team in a listed company. They are looking forward to develop a dynamic person with a high potential.

Interested candidates are invited to send an English version of their cv to [info@profiler-consulting.com](mailto:info@profiler-consulting.com) under the reference: 2016041089
